The 16 Best Things to Do in Miami This Week

ASHLEY-ANNA ABOREDEN , JOSE D. DURAN AND OLIVIA MCAULEY | DECEMBER 1, 2021 | 8:00AM

Thursday, December 2

Developer Moishe Mana flexes his muscle during Miami Art Week, launching the inaugural **Flagler Street Art Festival**. The event is a partnership between Mana Common and the Urban Impact Lab — and it's a bit of a misnomer. Yes, street art will play a role in the event, but everyone's favorite new art medium, non-fungible tokens (NFT) will also be highlighted. The weeklong celebration will unveil 15 new murals commissioned by Mana Public Arts, which will be live-painted through the week, as well as the debut of IlluMia, an interactive nightlife experience projected on the façades of the buildings along Flagler Street. There will also be workshops centered on NFTs by ArtRepublic. *Thursday through Sunday, at 150 E. Flagler St., Miami; flaglerstreetartfestival.com. Admission is free with RSVP via eventbrite.com.* **Jose D. Duran**
