Construction Alert # 16:

- Starting on Monday, November 15, 2021, we will have a full closure of the crosswalk connecting the north and south side of Flagler Street (in front of Marshalls) from SE 3rd Avenue to NE 3rd Avenue.
- Lanzo Construction will need to close off the intersection in order to continue conduit installation for the lighting and Smart City kiosks, and to complete the reconstruction of the roadway.
- It is unknown at this time the duration of the work. We will keep everyone informed as soon as the crosswalk reopens. We thank all stakeholders for their patience.
- For additional information, please contact Public Information Officer Wanda Mendez at 786-285-9407
