Construction Alert # 21:

- A section of the sidewalk between E 2nd Ave and SE 3rd Ave in front of the old La Epoca building (200 E Flagler) will be closed temporarily today and tomorrow.
- This is not a part of the Flagler Street renovation.
- Stambul's construction company is breaking up the sidewalk to connect a water line from the street to their building (200 E Flagler).
- We will alert all stakeholders as soon as this section of the sidewalk is reopened.
