

January 31, 2024

Alert #50:

- FPL (Florida Power & Light) is completing emergency work, replacing a transformer directly in front of 25 West Flagler Street.
- This work needs to be done as it is affecting service for FPL customers.
- FPL has placed pedestrian detour signs at Miami Ave and Miami Ct.
- While this portion of Flagler Street is already closed due to TB Power's work on duct banks in Section E (Miami Ave to W 1st Ave) this emergency work IS NOT part of the Flagler Street Beautification Project.
- For any additional information, please contact the Christopher Ferreira (FPL External Affairs Manager) at christopher.ferreira@fpl.com
