

May 2021 Downtown Flagler Street Beautification Project

Recap of work done during the month of May 2021.

Downtown Miami Flagler Street Beautification project started on May 3, 2021.

- This project is funded by The City of Miami, in partnership with Miami-Dade County, the Flagler Business Improvement District and the Miami Downtown Development Authority.
- Lanzo Corporation impressed our stakeholders with their “focus on problem-solving” was awarded the contract
- Work begun on Section A from Biscayne Blvd to NE 3rd Avenue and Section B from NE/SE 3rd Avenue to NE/SE 2nd Avenue on Flagler Street.

Milestones achieved in May 2021:

- Placement of VMx signs alerting our downtowners of the commencement of the project.
- Fence installation.
- Gutter Buddies installed for environmental compliance.
- Construction of temporary ADA ramps for pedestrian crossing.
- Removal of existing Roberto Burle Marx pavers, to be reinstalled.
- Removal of all MPA parking signs and pay stations.
- Removal of telephone booths along Flagler Street.

Milestones achieved in May 2021 continuation:

- Total of 18 Palm Trees were removed and relocated to the Maurice A. Ferrer Park.
- Sidewalk and curb demolition including removal of all debris.
- Asphalt milling.
